

STORE MANAGER

USER MANUAL

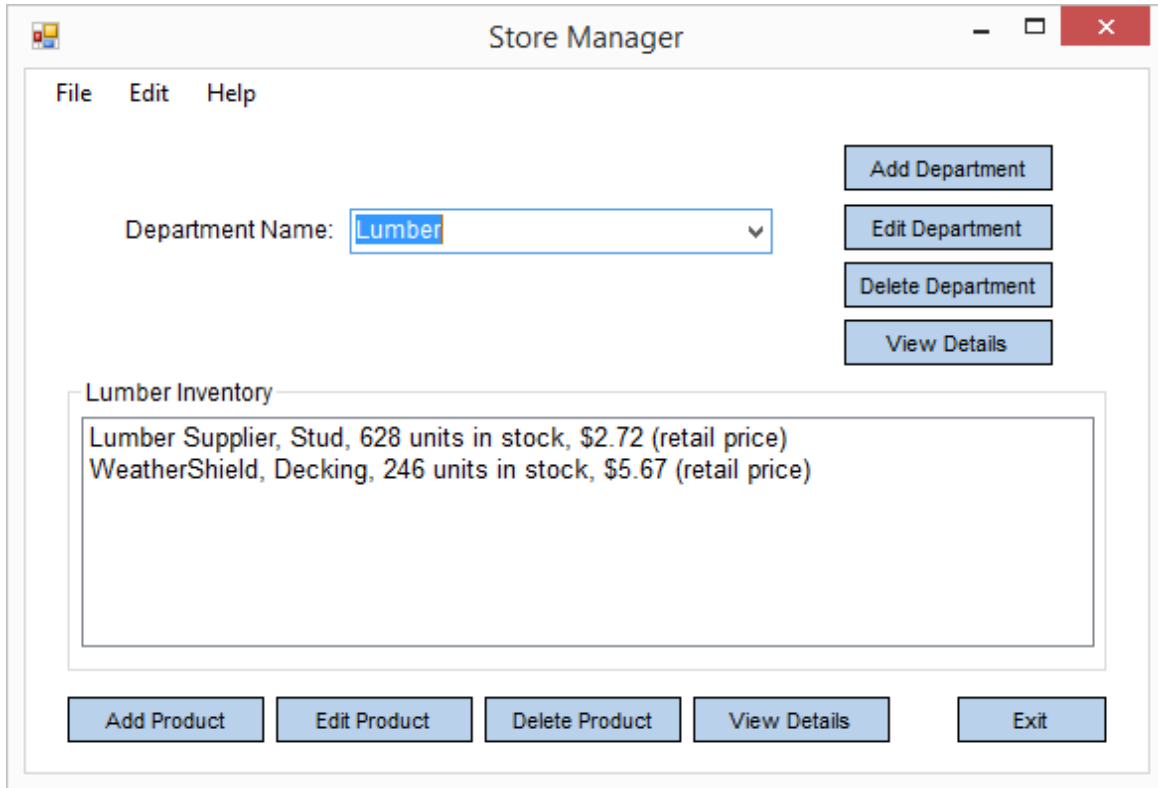

by: Burak Aydemir

1. Start the program.

The screenshot shows a window titled "Store Manager" with a standard Windows-style title bar (minimize, maximize, close buttons). The window contains a menu bar with "File", "Edit", and "Help". Below the menu bar, there is a "Department Name:" label followed by a text input field with a dropdown arrow. To the right of this input field are four stacked buttons: "Add Department", "Edit Department", "Delete Department", and "View Details". Below these elements is a section titled "Department Inventory" which contains a large, empty rectangular box. At the bottom of the window, there is a row of five buttons: "Add Product", "Edit Product", "Delete Product", "View Details", and "Exit".

2. Select a department from the combo box.

List box will be populated with products found in the selected department.

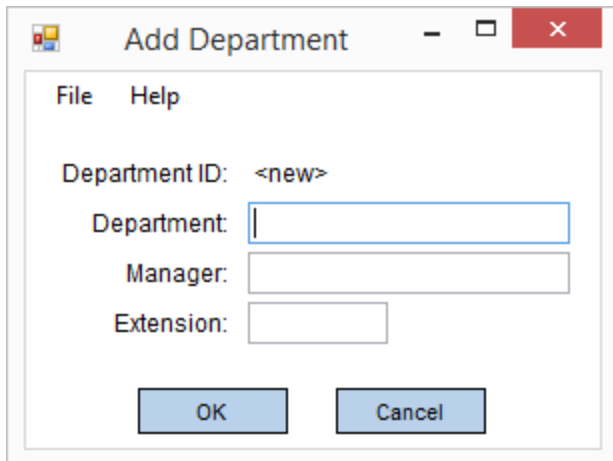

The screenshot shows the 'Store Manager' application window. It has a menu bar with 'File', 'Edit', and 'Help'. Below the menu bar, there is a 'Department Name' dropdown menu with 'Lumber' selected. To the right of the dropdown are four buttons: 'Add Department', 'Edit Department', 'Delete Department', and 'View Details'. Below these buttons is a list box titled 'Lumber Inventory' containing two items: 'Lumber Supplier, Stud, 628 units in stock, \$2.72 (retail price)' and 'WeatherShield, Decking, 246 units in stock, \$5.67 (retail price)'. At the bottom of the window are five buttons: 'Add Product', 'Edit Product', 'Delete Product', 'View Details', and 'Exit'.

3. Click Add Department to add a new department

New blank form will open for adding a new department.

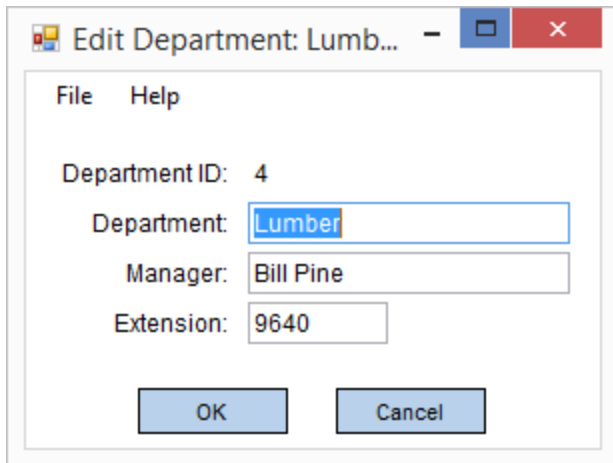

When you have entered data into the fields, click OK to add and close the form, or Cancel to close without adding.

The screenshot shows the 'Add Department' dialog box. It has a menu bar with 'File' and 'Help'. Below the menu bar, there is a 'Department ID' field with the text '<new>'. Below that are three text input fields labeled 'Department:', 'Manager:', and 'Extension:'. At the bottom are two buttons: 'OK' and 'Cancel'.

4. If you clicked Edit Department from the main form; a form will open populated with the details of the department you selected.

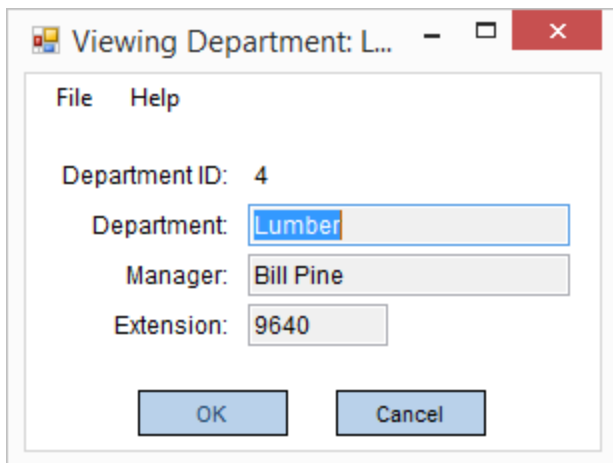

Make your changes to the fields and click OK to accept changes and close the form, or Cancel to close without changes.

The screenshot shows a Windows-style dialog box titled "Edit Department: Lumb...". It has a menu bar with "File" and "Help". The form contains four labeled text input fields: "Department ID:" with the value "4", "Department:" with the value "Lumber", "Manager:" with the value "Bill Pine", and "Extension:" with the value "9640". At the bottom, there are two buttons: "OK" and "Cancel".

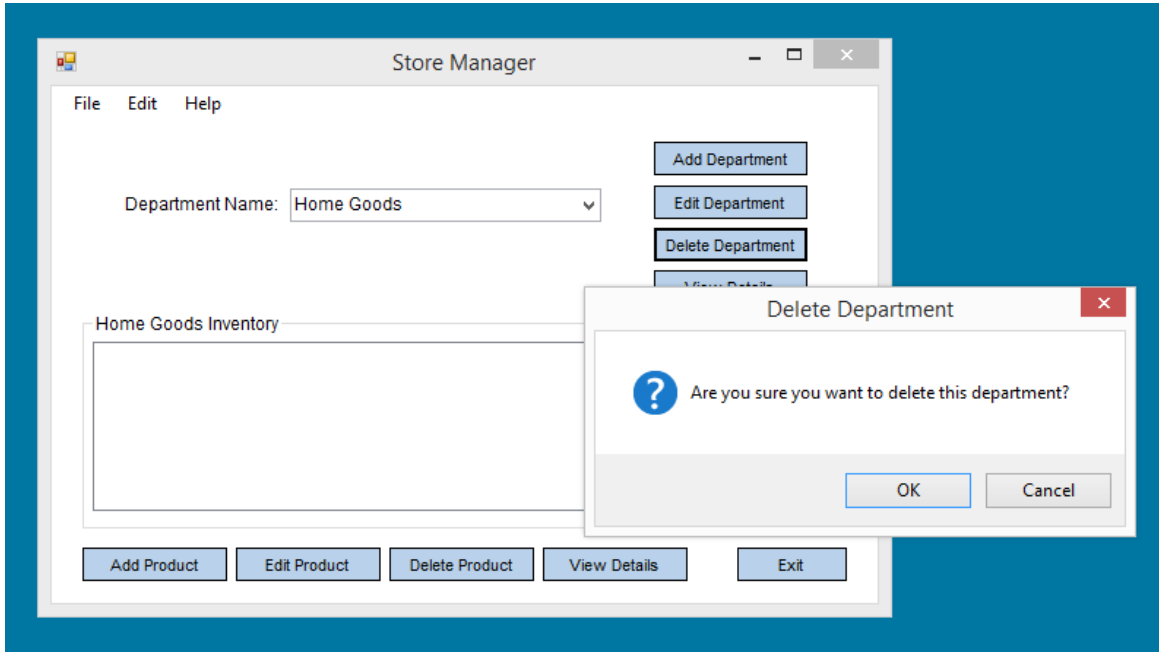

5. If you clicked View Details from the main form; a form will open populated with the details of the department you selected.

Click Cancel to close the form. (OK button is not enabled when viewing details)

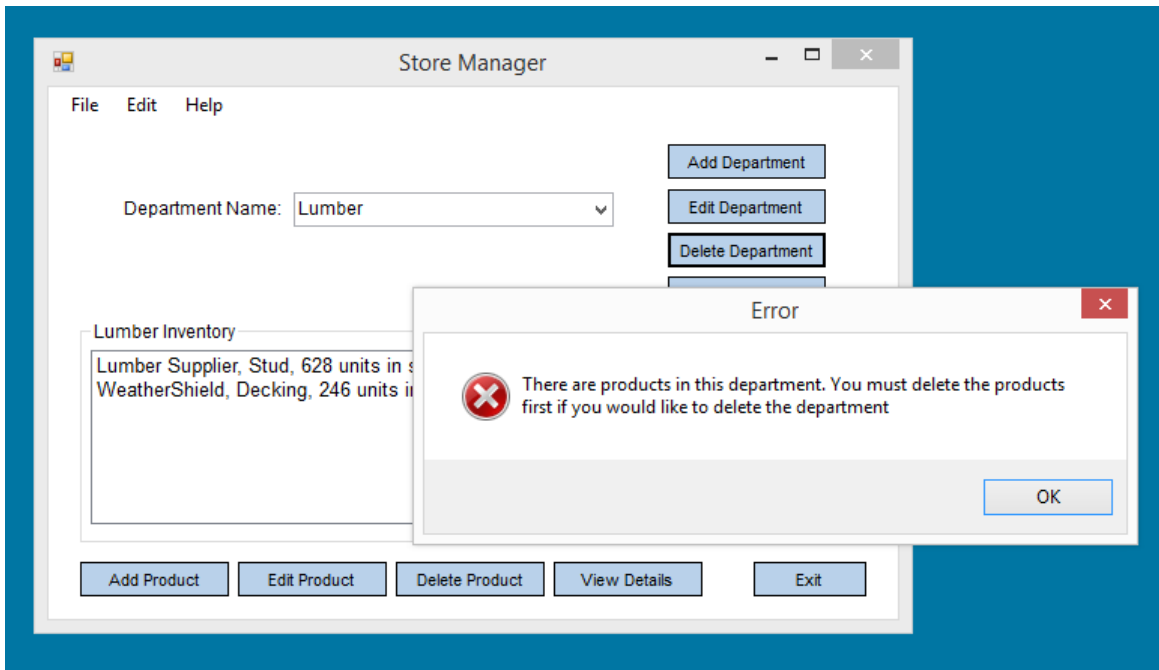

The screenshot shows a Windows-style dialog box titled "Viewing Department: L...". It has a menu bar with "File" and "Help". The form contains four labeled text input fields: "Department ID:" with the value "4", "Department:" with the value "Lumber", "Manager:" with the value "Bill Pine", and "Extension:" with the value "9640". At the bottom, there are two buttons: "OK" and "Cancel".

6. If you would like to delete a department, select it from the combo box and click Delete Department. A message box will open asking you to confirm deletion of the department.

(If you try to delete a department which has products in its inventory, you will receive an error prompting you to delete the products in that department first.)

PRODUCTS

1. To add a new product, select the department you would like to add the product to from the combo-box.

New blank form will open for adding a new department. (Department field will be populated with the name of the selected department, this cannot be changed.)

When you have entered data into the fields, click OK to add and close the form, or Cancel to close without adding.

The screenshot shows a Windows-style dialog box titled "Add Product". It has a menu bar with "File" and "Help". The form contains the following fields and values:

- Product ID: <new>
- Date Updated: 12/14/2014
- Department: Lumber
- Product: (empty text box)
- Manufacturer: (empty text box)
- Model Number: (empty text box)
- Wholesale Price: (empty text box)
- Retail Price: (empty text box)
- Units In Stock: (empty text box)
- Units Sold: (empty text box)
- Description: (empty text area)

At the bottom of the dialog are two buttons: "OK" and "Cancel".

2. To edit a product, select the product from the list box on the main form.

The screenshot shows the 'Store Manager' application window. It has a menu bar with 'File', 'Edit', and 'Help'. Below the menu bar, there is a 'Department Name' dropdown menu currently set to 'Lumber'. To the right of this dropdown are four buttons: 'Add Department', 'Edit Department', 'Delete Department', and 'View Details'. Below these buttons is a list box titled 'Lumber Inventory' containing two items: 'Lumber Supplier, Stud, 628 units in stock, \$2.72 (retail price)' and 'WeatherShield, Decking, 246 units in stock, \$5.67 (retail price)'. The first item is selected. At the bottom of the window are five buttons: 'Add Product', 'Edit Product', 'Delete Product', 'View Details', and 'Exit'.

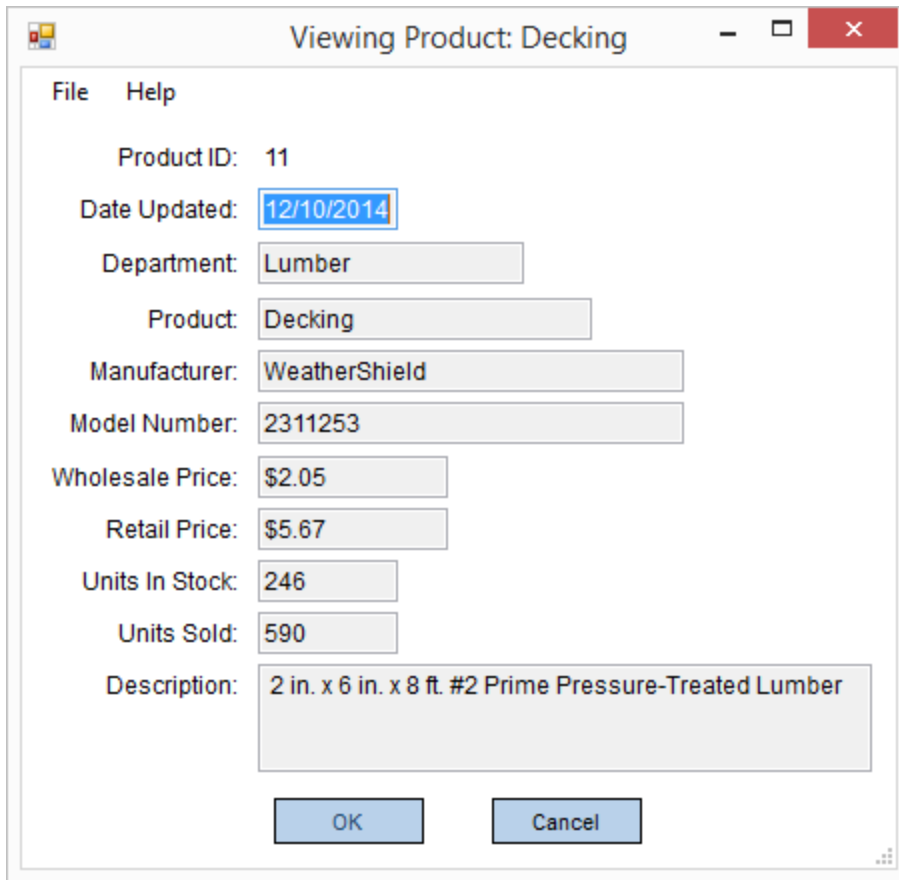

Click Edit Product, a form will open populated with the details of the product you selected. (Department field cannot be edited.)

Make your changes to the fields and click OK to accept changes and close the form, or Cancel to close without changes.

The screenshot shows the 'Edit Product: Decking' dialog box. It has a menu bar with 'File' and 'Help'. The fields are as follows: 'Product ID' is 11; 'Date Updated' is 12/10/2014; 'Department' is Lumber (disabled); 'Product' is Decking; 'Manufacturer' is WeatherShield; 'Model Number' is 2311253; 'Wholesale Price' is 2.05; 'Retail Price' is 5.67; 'Units In Stock' is 246; 'Units Sold' is 590; and 'Description' is 2 in. x 6 in. x 8 ft. #2 Prime Pressure-Treated Lumber. At the bottom are 'OK' and 'Cancel' buttons.

3. If you click View Details from the main form; a form will open populated with the details of the product you selected.

Click Cancel to close the form. (OK button is not enabled when viewing details)

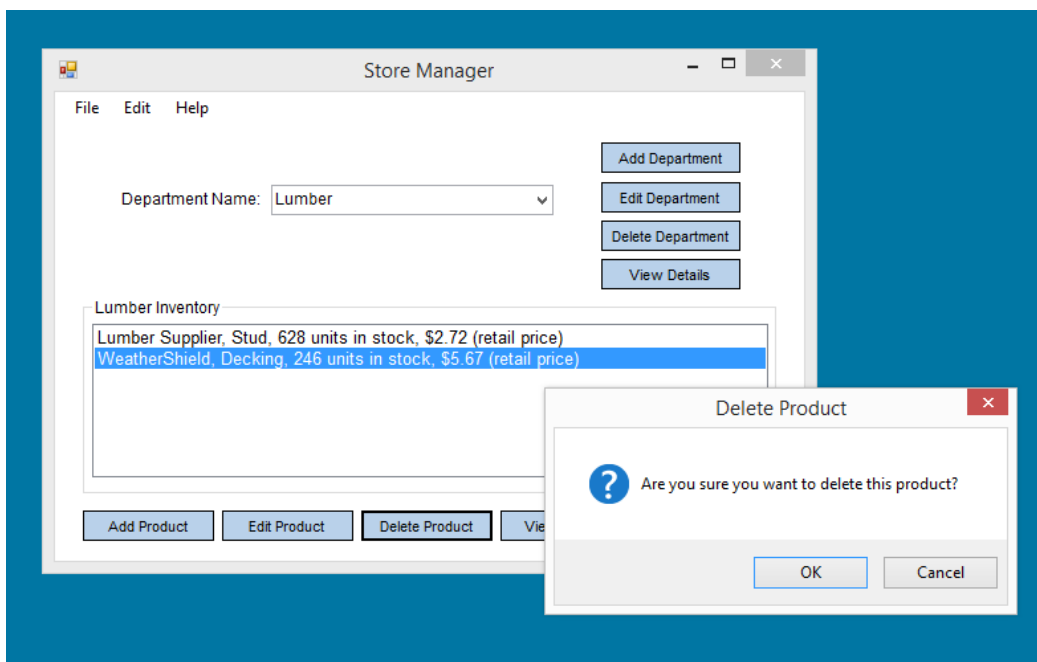

The screenshot shows a window titled "Viewing Product: Decking". It contains a menu bar with "File" and "Help". Below the menu bar, the following fields are displayed:

- Product ID: 11
- Date Updated: 12/10/2014
- Department: Lumber
- Product: Decking
- Manufacturer: WeatherShield
- Model Number: 2311253
- Wholesale Price: \$2.05
- Retail Price: \$5.67
- Units In Stock: 246
- Units Sold: 590
- Description: 2 in. x 6 in. x 8 ft. #2 Prime Pressure-Treated Lumber

At the bottom of the form are two buttons: "OK" and "Cancel".

4. If you would like to delete a product, select it from the list box and click Delete Product.

A message box will open asking you to confirm deletion of the department.

The screenshot shows the "Store Manager" application window. It has a menu bar with "File", "Edit", and "Help". The main area contains a "Department Name" dropdown menu set to "Lumber". To the right of the dropdown are four buttons: "Add Department", "Edit Department", "Delete Department", and "View Details". Below these is a list box titled "Lumber Inventory" containing two items:

- Lumber Supplier, Stud, 628 units in stock, \$2.72 (retail price)
- WeatherShield, Decking, 246 units in stock, \$5.67 (retail price)

The second item is selected. At the bottom of the window are four buttons: "Add Product", "Edit Product", "Delete Product", and "View Details". A "Delete Product" dialog box is open in the foreground, asking "Are you sure you want to delete this product?" with "OK" and "Cancel" buttons.

CLOSING THE PROGRAM

Click Exit on the main form to close the program.

The screenshot shows the 'Store Manager' application window. The title bar includes standard window controls (minimize, maximize, close) and the text 'Store Manager'. The menu bar contains 'File', 'Edit', and 'Help'. The main area features a 'Department Name' dropdown menu with 'Lumber' selected. To the right of this menu are four buttons: 'Add Department', 'Edit Department', 'Delete Department', and 'View Details'. Below these is a text area titled 'Lumber Inventory' containing the text: 'Lumber Supplier, Stud, 628 units in stock, \$2.72 (retail price)' and 'WeatherShield, Decking, 246 units in stock, \$5.67 (retail price)'. At the bottom of the window is a row of five buttons: 'Add Product', 'Edit Product', 'Delete Product', 'View Details', and 'Exit'.

Lumber Inventory	
Lumber Supplier, Stud,	628 units in stock, \$2.72 (retail price)
WeatherShield, Decking,	246 units in stock, \$5.67 (retail price)

Note: You may perform all operations described in this manual by clicking Edit on the tool-strip menu at the top of the main form.
